## The Difference You Make

---

Each year Oklahoma farmers and ranchers make the trip to Washington, D.C. to visit with our Congressional delegation about issues of importance to rural Oklahoma.

On this trip you will have the opportunity to hear a briefing by American Farm Bureau on issues of importance to agriculture before visiting with your Congressional representative and Senators.

Whether you have attended the Congressional Action Tour before or this would be your first time, please consider joining us. You can make a difference.

## Tour On Your Own

---

If you want to go on any tours, you are responsible for making those arrangements yourself.

- **White House or Capitol** — Contact your congressional office as soon as possible. When you call, be sure to have the social security numbers, full names, and birthdays of anyone in your party that plans to visit.
- There are several sight-seeing packages available through the hotel concierge that you can arrange when you arrive.
