

Community Food Assistance Matching Program

Farmers and ranchers across Oklahoma create food, fiber and fuel for people in their communities, and Oklahoma Farm Bureau members understand the importance of giving back to their communities, especially in time of need. OKFB wants to partner with county organizations to provide food for all Oklahomans.

OKFB is looking for county Farm Bureaus to donate to their local food bank, food pantry, meals on wheels or other food assistance program. Whether it's going to the local grocery store to purchase food, hosting a food drive or presenting a monetary donation, these community food organizations need your help most during these unprecedented times.

If you decide to donate food items to the organization, reach out to see what items they are in need of most to make your donation impact even greater.

When your county makes a donation, OKFB will match the donation up to \$100 and donate to your food assistance program of choice. OKFB will send a separate check to the chosen program.

Inform your field representative before presenting the food or money. Donate by March 31 and submit this form no later than April 9 to receive OKFB's match.

For more information or questions, contact Melisa Neal at (405) 523-2300 or melisa.neal@okfb.org.
