

Nurse's Training Scholarship

Our Support

The OKFB Women's Leadership Committee supports your nursing career.

The cost of a quality education increases every year, but it should not stop students from following their interests and dreams. After making the decision to pursue a career in the nursing field, we know it can be tough to finance your education.

The members of Oklahoma Farm Bureau Women's Leadership Committee understand the importance of the nursing profession and how any and all financial support contributes to a student's future.

To assist Farm Bureau members with the costs associated with nurse's training, we offer **three \$500 scholarships** every year to qualifying students.

Application Deadline

All applications must be submitted by **July 1st**.
