

Dear Parent/Guardian(s)

Imagine you are a young child and you awake one night to find your bedroom filling with smoke. Your house is on fire! What would you do?

To make sure your child has the skills that could potentially save his/her life, we will be teaching burn prevention and fire safety in class. A key element of this learning process will include a visit at our school by the Oklahoma Farm Bureau (OKFB) Fire Safety House.

The OKFB Fire Safety House is an inflatable mobile classroom specifically designed to teach children vital burn prevention and fire escape techniques through a fun, safe simulation of common hazards and equipped with a kitchen, bedroom and living room.

Note: All participants should wear pants and/or shorts as well flat, non-heeled shoes in the OKFB Fire Safety House
